About Us

Avante Capital Partners is a women-owned private credit and structured equity fund. We provide total debt solutions and junior capital for high quality, lower middle market businesses that generate at least \$3 million in cash flow. Avante invests between \$5 million and \$25 million of capital in the form of unitranche or one-stop debt as well as traditional mezzanine debt and minority equity. We can also partner with other lenders to provide an optimal capital solution. Avante works with private equity and independent sponsors in buyout transactions, as well as with entrepreneurs and owners to finance recapitalizations, refinancings, acquisitions and growth.

Additionally, one of Avante Capital Partners' areas of interest, although not exclusive focus, is providing capital to women and minority-owned companies. Avante is headquartered in Los Angeles, CA with an office in Boston, MA.
